Discipleship Cycle: Debrief & Interpret

Did anyone do the "Respond Actively" exercise last week? What did you learn about God and yourself through that experience?

Quick Review: What stood out to you from this week's passage?

Looking back at your notes from this week's passage and sermon, was there anything you heard for the first time or that caught your attention, challenged or confused you?

My Story

The New England Seafarers Mission (NESM) serves the international seafarers of the maritime. What stories impacted you as Rev. Steve shared his experience serving with NESM?

Dive Deeper

Rev. Steve mentioned how the international seafarers are a group of people who are often forgotten. Their lives are spent on ships traveling through international waters away from family and friends. God uses NESM to care for these neighbors who are overlooked by providing medical attention, creating a hospitable space in the mail room, or simply remembering their names.

What group(s) of people do you interact with who are often ignored or forgotten? How is God inviting you to love and serve them?

Discipleship Cycle: Respond Actively

As we learn about each partner ministry that Anchor Bay supports, I encourage you to pray for NESM this week and the God-given work they're doing to love and serve seafarers.
