

SPUR

MISSION

Our mission is to cultivate a Community of Doers through an array of multi-generational volunteer opportunities and youth enrichment programming. We are passionate about volunteerism and committed to making a tangible difference in the lives of both recipients and volunteers, while empowering our next generation of leaders.

SPUR serves our neighbors in Salem, Lynn, Marblehead, and Swampscott. SPUR's founder, Jocelyn Cook attends Highrock North Shore.

WHY THIS MATTERS TO GOD

The Church is often viewed as a "family on mission." SPUR takes this vision seriously. Founder, Jocelyn Cook, saw the need for an organization that could inspire people to SPUR one another on toward love and good deeds; where community members, especially young families, could participate in meaningful experiences aimed at building stronger communities - one where strangers act like neighbors, and where young people could participate in unique extracurricular activities aimed at inspiring and mobilizing youth to take action for future years and change the world.

BIBLICAL HOPE

And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.

Hebrews 10:24-25
